Routine Business the Last Day-The Report of the Board of Education-A Long Discussion - Interesting Statistics.

DANVILLE, VA., November 25 .- (Speclal.)-The only sunless day the 115th annual Conference of the Southern Virginia Methodists was to-day. The session came to a close with the announcement of the appointments to-night. At the morning session Rev. J. C. Watts conducted the devotional exercises, and then the final report of the Board of Education was submitted by Professor A. M. Hughlett. The feport gave numerous facts and figures in connection with the educational institutions and interests in the care of conference. One suggestion of the report worthy of mention is that the Legislature be urged to require school boards to give an equal showing or a preference to college graduates in the choice of public school teachers.

The report asks the presiding elders to preach one sermon to each charge of their districts on the subject of "Christian Education." The statistics presented by the report show that the Randolph-Macon system has a total property value of 819,690. Randelph-Macon College has an endowment of \$125,500, and Randelph-Maron Woman's College an endowment of \$102,000. There are 494 students in the several schools.

THE TROUBLE. it was declared that there is much indifference among the people toward the church colleges, and great difficulty in securing the educational collection. Mr. Cannon said that the present con-

dition of things was due to the cheap in-struction offered by State schools. He believed that the State schools. He believed that the State schools would overthrow the Church schools, as things were now going on, and he hoped that the leading denominations of the State old combine to prevent this. Two hours were consumed in discussing the report, which was finally adopted.

BISHOP COMPLIMENTED.

Resolutions highly complimentary to mishop N. P. Fitzgerald, the presiding were read by Rev. A. Coke Smith, D. D., these having been prepared by Re bes. Garland and A. G. Brown. The resolutions were adopted by a unanimous rising vote, and the Bishop returned a graceful acknowledgment.

Rev. L. B. Betty submitted the report

of missionary appropriations for the cur-rent year, showing that \$10,000 will be devoted to this cause. At 12 o'clock business was suspended, and a special Thanksgiving service occupied the time until the hour of adjournment-1 o'clock. STATISTICS.

During the morning session the follow-ing interesting statistics were read; During the past year there was raised in con-ference territory for all purposes, \$46,-28.06, which is an increase over the previous year of \$33.962.83. The net increas in membership for the year was 1,797.

To-night it was expected that the ap-pointments would be read at 9 o'clock but in the meeting of the Bishop's Cabi-nel there was a hitch, and it was 9:30 before the Bishop reached the church. An hour was spent in reading the records and finishing the routine business, and then the long-looked-for appointments were announced, as follows: The Appointments.

HUGH, K. REID.

NORFOLK DISTRICT, J. P. GARLAND, Denth of This Venerable Citizen of

Reidsville. REIDSVILLE, N. C., November 25 .-(Special.)-After an illness of about two months, Mr. Hugh K. Reid, surrounded by his sorrowing relatives and friends, passed peacefully away about noon today at his residence here. Mr. Reid was our oldest native-born citizen, having been born here May 6, 1817, and was, therefore, in his 81st year. All his life had been spent in this town, which gets its name from his family, it being named its name from his family, it being named for ex-Governor David S. Reid, a brother of the deceased. Mr. Reid was twice married—first, on May 5, 1857, to Caroline Graves, daughter of the Hon. Calvin Graves. Of this marriage there were three daughters—Mrs. N. C. Thompson, Mrs. C. H. Overman, and Mrs. Robert Harris—all of whom live here. On the death of his first wife, in 1868, he mardeath of his first wife, in 1896, he mar-ried Caroline Settle, daughter of Judge Thomas Settle, Sr., and sister of the late Judge Thomas Settle, and aunt of ex-Congressman Thomas Settle, of this district. His last wife survives him without children. The most prominent traits of Mr. Reid's character were his unswerving integrity and benevolence, he being a man of much charity, though always without ostentation. From early in life he had been a consistent member of the Baptist church, and for years one of its deacons. His funeral will take place from that church Saturday afternoon, and the interment will be in the cemetery here. He will be greatly missed by a large circle of friends and acquaintances.

COMMITMENT ORDER FOR A PEER.

Financial Difficulties. LONDON, November 25.-The Cambridge County Court yesterday morning made a commitment order on the Duke of Manchester, who was sued for a livery-stable debt of £49 and costs. The order, however, was suspended for three weeks, with liberty to appeal,

William Angus Montagu, the present Duke of Manchester, is the ninth Duke and son of the eighth Duke of Manchester, whose wife was formerly Miss Consuelo Yznaga, of New York. The present Duke was bern on March 3, 1877, and succeeded to the title on the death of his father, in 1892. The estates of the Dukes of Manchester include Kimbolton Castle and Brampton Park, Huntingdon shire, England, and Tangeragee Castle, County Armagh, Ireland. During the early part of the present year it was reported that the Duke of Manchester was to marry Miss Pauline Astor, daughter of William Waldorf Astor, formerly of New York, now of London, a report which was subsequently denied. The voung Duke has also been mentioned as an aspirant to the hand of Miss Mary Goelet, daughter of the late Ogden Goelet, of New York. This rumor went so far as to have it that the Duke was engaged to Miss Goelet, a statement which was emphatically denied by the family.

FORT WORTH, TEX., November 25. The widow of Arthur Forbes alias Blanther, who was arrested at Meridian, Tex., charged with having murdered Mrs. Langfeldt in San Francisco, and who committed suicide in the Bosque county jail, has been located in this city by the police officials. Mr. Forbes says there is no doubt as to Forbes being the murderer of the San Francisco women; that he often told her that he was wel acquainted with Minnie Williams and Blanche Lamont, having been introduced to them by Theodore Durrant; that he often referred to the murders in such a manner that she is convinced that he knew of them. Mrs. Forbes, or Ada Taylor, says that one of her trunks is still in San Francisco, where it was used in evidence during Durrant's trial. She to-day wired Durrant as follows: "Have courage. I believe you to be an innocent man. If I can help to prove your innocence, command me."
